A. O. Smith Moves Fast To Enlarge Plant Space

New Addition Underway Week After New Order For Frames Announced

A. O. Smith Corp. is moving quickly to increase the size of its auto frame plant here to handle a large increase in production of 1965 Chevrolet frames. The expanded production will start about Aug. 1.

Construction on a new addition to the plant began yesterday—just one week after the expansion was announced by plant manager N. R. Brink.

Anthony Trele, personnel director, said the new addition would extend 80 feet north of the present building into the parking area. The addition will cover approximately 40,000 square feet and will be similar in appearance to the present building.

The addition will provide space for presses and storage in connection with the new frame model, Trele said. Changes in the parking lot will be made to compensate for the lost parking area, he said. C. H. Sternberg & Co. is the contractor.

General Motors Corp. announced last week it would make the Chevrolet frames at its own Flint, Mich., plant and transfer the 1965 work to A. O. Smith Corp. and the Budd Co. of Philadelphia.

The transfer will increase the A. O. Smith total volume of frames by 300,000 to 400,000. Sharing the extra work with the local plant will be the firm's Milwaukee facility.

The expansion is expected to bring a 15-20% increase in production and the hiring of 100-200 more workers at the plant.

A. O. Smith's Granite City plant has been in operation nine years and currently employs 1450 people. There are four assembly lines in operation on two shifts.

Mrs. Glavan, 67, Found Dead In Basement

Mrs. Maria Glavan, 67, of 1005 Madison avenue, Madison, was found dead at 4:30 p.m. yesterday at the bottom of the basement stairs at her home.

She was found by a neighbor, who called the police. A coroner's call at the home Tuesday, there was a small cut on Mrs. Glavan's chin.

Deputy Coroner John Sedlak will conduct an inquest. A resident of 50 years in Yugoslavia, she was born in Yugo-Slavia. She was a member of St. Mary's Catholic Church, St. Mary's, and was a retired matron at St. Elizabeth Hospital.

Her husband, George, died 19 years ago. An obituary notice is given elsewhere in this issue.

Decided This Morning Appraisals For Nameoki Rd. Project To Be Ready Monday

Appraisals of all 46 pieces of property needed for the long-awaited widening of Nameoki road north of Madison avenue should be in the hands of the state highway department by next Monday afternoon, it was reported this morning in a conference at the office of Mayor Davis.

The meeting was arranged by the highway and transportation committee of the Tri-City Chamber of Commerce headed by R. E. Holt in an effort to speed up the start of the project to widen the heavily-traveled roadway to four lanes. It has been on the state's highway project list for the past several years.

Attending were members of the C. of C. committee: Mayor Davis; Andrew Gasparovic III, city appraiser for the project; and two representatives of the state highway department, Arthur Kettnerhofen, in charge of right-of-way acquisition, and Virgil Ragsdale, appraisal reviewer. C. of C. members present were Hohl, President Chester Baker, E. G. Schmitt and Harlan Dobry.

Gasparovic reported he has submitted 36 of the appraisals including seven presented to the state earlier this week and seven others submitted during today's meeting. He added that he will submit the balance of the appraisals by Monday.

With a total general assistance budget of \$31,000, receipts are estimated at \$31,866, to leave a balance of \$866, pending, and \$100, for contingencies are listed at \$250.

The town fund budget of \$33,245, same as last year, lists \$31,000 for the project.

Third Candidate For Venice School Board

Herman Smith, 201 Terry street, Eagle Park Acres, filed this week as a candidate for the Venice school board. Fred Durst Jr. and John Gontemant filed previously for the two positions to be filled.

There have been no new filings in the Granite City school district, where seven are seeking two posts, or in Madison, where five are seeking three positions.

4 To 5-Inch Aura Of Beauty Stalls Area

Four to five inches of snow fell in the Quad-Cities Monday night and early Tuesday, affording residents a scene of sparkling beauty upon arising Tuesday morning.

Wet in texture, it was quickly packed on roads, trees and wires, causing scattered power disruptions.

Though some areas reported as much as six inches, the four-to-five inch figure was measured on the gauge at the Chain of Rocks locks.

Driving was hazardous until the snow began to wear off the pavement and melt Tuesday morning, and most streets were clear, though wet, by Tuesday afternoon. Uncleared walks were slushy.

Traffic slowed to a crawl by Monday evening, and several accidents were caused by fogged windows and snow-covered windshields of automobiles, limiting the visibility of drivers.

Street department crews were busy Tuesday morning with removal of snow from major intersections and were aided by warming temperatures.

Cars, Trucks Skid
State police headquarters at French Village reported Tuesday morning that there were no highway accidents in the area during the storm, though some cars and trucks skidded into ditches or off of the pavement.

Snow piled around power lines with diameters up to three and four inches. Some broke but were soon repaired by Illinois Power Co. crews.

Edward S. Gaston, superintendent of Illinois Power Co., said "we were very fortunate in the Quad-City area. Only a few service wires to houses were down, caused by falling trees."

Nameoki Township Budgets Unchanged

\$31,000 Relief, \$33,245 Town Expenses, \$93,757 For Roads And Bridges

Budgets identical with last year's with the exception of a \$550 addition for retirement purposes in the road and bridge budget are planned by the Nameoki township board of auditors. A public hearing is set for March 31 of the town hall along Route 162 near Stalling.

For general assistance, the amount of \$31,000 is budgeted, while \$33,245 again was estimated for the road and bridge purposes. Under the road and bridge budget, \$38,085 is set up for the road maintenance fund, \$46,422 for the permanent road fund, and \$6500 for bridge repairs, all the same as last year, and \$2750 for the Illinois State Retirement Fund, up \$550.

The general assistance fund of \$31,000 includes the following: Food, \$13,000; rent, \$600; fuel, \$1800; light, \$75; water, \$40; clothing, \$300; medical care, \$3000; transportation and moving, \$150. Also for private hospital care \$1150 is budgeted along with ambulance service, \$25; county home care, \$1000; transient care, \$100, and burial, \$20.

For relief administration, salaries, excluding elected officials, are set at \$8100, printing, stationery and supplies, \$50; office rent, \$200; traveling expense, \$60, and telephone, \$100, for a total of \$8510. Contingencies are listed at \$250.

Percy Group Sues Scott Committee In GOP Fund Split

A split among Madison county Republicans widened further this week as the Percy for Governor committee filed an injunction suit against the Percy Scott committee.

The Percy Scott group to prevent it from spending about \$100,000 in the annual Y.M.C.A. open house. Snowy weather held the crowd down to 1000, about one-third the expected attendance.

Displays included those by the St. Steelers model airplane club, the Land of Liberty club, the Bubblemasters scuba diving club and the Y.M.C.A. art class. There was a chess exhibition and Mrs. Bonnie Fuller, art instructor, drew sketches of visitors.

Dr. Coleman, head of the membership drive, reported the campaign would open in the near future. The Senior Citizens presented the "Y" with a large picture of their own making.

Venice Asking ICC To Set Cost Shares For RR Subway

(Special from Springfield.)
Filed yesterday with the Illinois Commerce Commission by the city of Venice was a petition for a hearing to relocate the Broadway rail crossing and to apportion the costs for construction of a \$715,000 railroad subway to relocate Broadway.

City Atty. Harry Hartman said he hoped for a preliminary hearing within a month.

The city is seeking to solidify a state division of highways project to pay 30% of the subway cost, with the city and railroads to share the remaining 70%.

The ICC is to specify the amounts. The ICC also is to set the amounts to be paid by the city and the railroads for the \$715,000 cost to relocate Broadway.

While the state highway department has agreed to pay the cost for approaches to the proposed new Riverfront Road, Federal Aid Route 151, The city would pay the cost of new ramps for McKinley Bridge.

The new petition would consolidate four others filed by railroads for the closing of crossings at South Main street and to reduce protection at the Kott street crossing. Hartman said that upon completion of the new subway, the city would agree to these terms. However, the pavement of the present Broadway crossing would have to remain intact in order to provide access in the event of flooding of the subway or other emergency, the city points out.

The railroads involved are the Wabash, New York Central and Gulf, Mobile and Ohio. A 10 named a respondent in the petition is the state division of highways.

Mayor Lee and city officials through conferences with the highway department have secured an interchange for Broadway over Federal Aid Route 151 with approaches to the McKinley Bridge. The proposed subway station would be north of the present grade level crossing.

The city points out that average daily use of the Broadway crossing is from 12,400 to 13,000 vehicles and that "time-consuming delays" occur often.

H. D. Karandjeff Re-elected Head Of YMCA Board

(Related story on page 5)
H. D. Karandjeff, chairman of the board for the Granite City Trust & Savings Bank and American National Bank, was re-elected president of the Y.M.C.A. at the organization's annual meeting Monday night.

Also re-elected were Harold Fischer, president of the First Granite City National Bank, as president, and Reinhardt, real estate and insurance man, as second vice-president. Wessel Brown, superintendent of the Madison school district, as treasurer, and Mrs. Harry (Fanny) Epstein as secretary.

Harold Thomas, director of special services for the Granite City school district, headed the nominating committee. The officers' terms are for one year.

New Director
Elected to a three-year term on the board of directors was Carl Mathias, area manager for the Illinois Power Co. He succeeded Chester Baker.

Re-elected as directors were Brown, Fischer, Mrs. C. E. Townsend, B. E. Hohl, James Henderson, Earle Layman and Dr. Leo Coleman.

Wide Bond Election Support Sought

Citizens To Meet In GC District Next Week On School Referendum

Broad union, business and civic support will be sought for a construction bond issue and tax rate election tentatively set for Saturday, May 23, it was decided during a Granite City school board meeting Tuesday night.

A citizens' advisory committee is being formed and will be invited to meet with Sup. Harold M. Kaiser next week and with him and the school board March 24.

Dr. Kaiser outlined a committee consisting of representatives from American Steel Foundries, A. O. Smith Corp., Granite City Steel Co., General Steel Industries, Illinois Power Co., the Granite City Army Depot, Farm Bureau, Area Parent-Teacher Association Council, Tri-City Trades and Labor Council, Chamber of Commerce, Manufacturers' Association, American Federation of Teachers, craft Federation, Ministerial Association, First Granite City National Bank, Granite City Trust and Savings Bank, Associated Retailers and League of Women Voters.

Board Member Daniel Landreth suggested inclusion of Democratic and Republican representatives as well as the proposal was discussed by the board. No decision on their inclusion was made.

Questions to be considered by the citizens will include whether to proceed with a \$1,600,000 bond issue or to increase to \$2,300,000 with inclusion of a \$100,000 junior high school on Pontoon road.

The \$1,600,000 program including a new Frohhardt area grade school, additions to Granite City high school and the Reddingham elementary school and purchase of two sites.

In addition to their advice on how to proceed, support of the bond issue will be sought from the citizens. Other groups in the school district also will be asked to take a favorable stand.

Although the next board meeting until April 14 is not scheduled until April 14, it is believed that the board may hold a special meeting between those dates to issue the formal election call.

Three Arrested In \$150 Robbery At Venice Home

A buried handkerchief containing \$47 and a banana knife with blade nearly five inches long were recovered by Venice police yesterday in clearing a \$150 robbery occurring at 11:20 p.m. Tuesday at the home of Mrs. Mary Williams, 622 Mendocino street.

Robbery charges were filed against Charles Hunter, 25, Edward Andrews, 18, and Charles Prather, 20, all of East St. Louis, and Hunter also was charged with carrying the knife.

In a second statement, Hunter said he gave a fictitious name when first questioned to avoid being linked with a shooting in Memphis, Tenn., March 1. He said he wounded a man there named Abbott with a shotgun.

He is to be held for Memphis authorities after disposition of the robbery case.

Hunter was locked inside the Williams home by the family, which summoned police after the other two allegedly ran out with money that the family was counting on a table. An insurance check had just been cashed.

Prather and Andrews are on five-year probation in connection with a St. Clair county charge.

Entrance to the Williams home was gained by knocking and asking directions. Those home besides Mrs. Williams were her daughter, Helen, 15, and Andrew Jones, 14, of East St. Louis. The money recovered was buried beneath the porch of a home in East St. Louis.

Bids Sought On Constructing Additions To 3 GC Schools

A call for bids was issued today on construction of a nine-classroom addition to Prather junior high school, a five-room addition to Mitchell grade school and a four-room addition to Wilson grade school.

Plans and specifications will be available from Architects Henry Gabriel and Sylvester Dulgeron beginning at noon Tuesday, March 17, and sealed bids will be received until 4:30 p.m. Tuesday, April 14, for opening by the school board three hours later. Contractors are being invited to bid on the bid opening.

There will be separate contracts for general construction, plumbing, heating and electrical work. The bids will be marked "Construction of the Addition to Mitchell, Prather or Wilson." Alternates will provide for possible deletion of two or four of the proposed Prather rooms.

Working drawings of the projects were approved by the Granite City school board Tuesday night, and plans were made for Supt. Harold M. Kaiser and the architects to take the drawings today to the county and state school superintendents and the state fire marshal.

It is hoped to complete at least the Wilson addition by September.

Open Before Reorganization
The bids are to be opened by the present school board in closing out its business for the year on April 14. Later the same evening, the board will reorganize for 1964-65 after canvassing returns of the April 11 school election.

Contract awards will follow a study of the bids by the administrative staff.

The board Tuesday night designated its Madison polling place as 1307 Madison avenue. Other voting locations were chosen previously.

Extra Liability Insurance
After consultation with Travis Gittlin and Robert Rousland, the Tri-Cities Independent Insurance Agents, the board decided to purchase, effective the same night, an excess policy that will increase to \$2 million its liability insurance to protect against possible injury suits. Recent court decisions led to the belief that the \$300,000 policy in existence was insufficient.

The new policy covers a three-year period but can be dropped or altered after a year. It was noted that the extent of school districts' potential liability may be clarified within the coming year.

The action differed from current bid policy but it was noted that the problem is so new that most companies do not cover it and those which do write it do not have comparable plans.

An insurance group handled by four local agents was recommended, and the award will be given to one of the four by the insurance association, which was so empowered by the board. Gittlin indicated that the commission will be divided among the four.

Misses Blackburn, Tanzberger Will Retire

Eighty-eight years of service to the Granite City school district will come to an end June 5 with the retirement of two faculty members, Miss Mary Blackburn and Miss Florence Tanzberger.

Their retirement plans were noted Tuesday at a meeting of the Granite City school board, which approved Supt. Harold M. Kaiser's plan to invite them to the next regular board meeting March 24. Certificates of recognition are to be presented at that time.

Miss Blackburn, director of the speech and dramatics department at Granite City high school, has taught in the Granite City district for the past 45 years. She resides in Ferguson, Mo.

A teacher in the Granite City school system for 43 years, Miss Tanzberger is a fifth grade instructor at Washington school. Her residence is at 2223 Cleveland Blvd.

Bi-State Gets Delivery Of 50 New Buses

New advance design, 50-passenger buses are being placed in service by the Bi-State Transit System on 10 major lines in Illinois and Missouri and will be rotated on various lines throughout the system, it was announced this week.

The new buses are on display today in East St. Louis and St. Louis. They represent the initial step in the system's long-range program to acquire new equipment.

Initially they are to be placed in service on 10 major 50-passenger bus lines for the Belleville and East St. Louis runs in Illinois and eight routes in the Missouri area.

The buses were purchased at a cost of more than \$1,500,000. The exterior features the two-tone metallic blue and fluted aluminum sides, the standard color scheme of Bi-State Transit, and in addition have a gold "belt rail" stripe around the body below the windows.

The interiors are equipped with form-fitting seats, fluorescent lights, sliding windows, special upholstery, fluorescent destination signs, formica side walls and ceilings, new design floor covering, chime signals and air-suspension springs. The all-season temperature control system provides filtered air for heating in the winter and air-conditioning in the summer.

mined by physical fitness of the employee and the superintendent's recommendation. Both of this year's retirements were mandatory under the policy.

Employment of non-tenure teachers for the 1964-65 year was approved by the board on the recommendation of Dr. Kaiser. Names were not disclosed but it was announced that no dismissals were recommended by the superintendent.

Terms of the tenure law, all with prior teaching experience of a year or more automatically go on tenure after two years in Granite City, unless their employment is terminated by the school district. Notification of termination must be given at least two months before the end of the year.

The same law provides that for those without prior experience, probation may be extended from two years to three years if they are notified. Following its existing policy, the board voted Tuesday night to send extension letters to all in this category.

Resignations effective at the end of the current school year were accepted from six teachers: Paul Bodine, 2106 Woodlawn Avenue, Granite City high school German teacher, Miss Barbara Crafts, Cahokia, Coolidge Junior

High School mathematics instructor, and Miss Nancy McKiernan, 2688 Iowa Street, an elementary band teacher, cited personal reasons.

Plans to move from this area were reported by Miss Minnie Clarke, 1808 S. State Street, a GCHS English teacher, while Mrs. David (Mary Louise) Ewing, 4859 Warnock Avenue, also a GCHS English instructor, related that she and her husband are moving to another state.

Tom Ervin, 2537 Stratford Lane, a GCHS chemistry and physiology teacher, has chosen another area of instruction.

Crafts To Be Contacted
Minutes of the March 8 adjourned meeting were interpreted. Board Member Monroe Worthen, who had made the motion, said he had intended for custodians as well as carpenters, painters, laborers and chauffeurs to be contacted by Dr. Kaiser through their business agents.

The superintendent was directed to proceed with negotiations with those willing to meet.

Steelworker Scholarship Goes To Alton HS Girl

The winner of the annual \$4000 scholarship competition for 1964, conducted by the United Steelworkers of America, was won by Miss Judith Marie Rowden, an Alton high school senior, who is the daughter of Mr. and Mrs. Stanley Rowden. Her father is a member and officer of Local 6104 and is employed at Standard Pipe Protection Co., Alton.

Announcement of the award was made yesterday by A. F. Kojetinsky, district 34 director. In 1962 competition, Miss Rowden's sister, Barbara, won the scholarship.

Earl Lindsey Takes Part In Exercise In Germany

Army Specialist Four Earl W. Lindsey, son of Mrs. Edna Lindsey, 2900 Cayuga street, participated in Exercise MARNE RAM.

Lindsey, a helicopter crew chief in the 4th Transportation Company of the 7th Transportation Group's 8th Battalion near Hamm, Germany, entered the Army in July 1961.

The 21-year-old soldier is a 1961 graduate of Granite City high school.

Legion To Hold Corned Beef, Cabbage Dinner

Tri-City Post 113 of the American Legion will hold a corned beef and cabbage dinner from 6:30 to 8:30 p.m. Saturday to celebrate the 45th birthday of the Legion. It was announced at a meeting Tuesday night. An orchestra dance will follow.

Harold Summers was nominated by A. Burt Harris as district junior vice-commander, and the post adopted a resolution of endorsement.

Summers reported on a district meeting held Sunday at Wood River and announced that Boys' State will be held during the last full week in June and the district convention will be held July 4-5 at Edwardsville.

On a motion by John Tempio, a post voted to donate its old drum and bugle corps equipment to another Legion post.

Harris reported membership at 360 and said the post is a few members short of last year's enrollment. Alex Duccini gave a short talk on membership and how to improve it. Fred McColigan, flower committee chairman, said 16 members died last year.

Gay Cooper, commander, commended Hy Fabin, service officer, for his work. James Wilson received the obligation as a new member and was introduced to the post. McColigan, chaplain, closed the meeting with prayer.

Your Merc dealer
invites you to
compare

Merc's
high-strength
design and
construction
with any
competitor's
outboard

From their powerheads to their shear-
proof props, Mercs are designed and
constructed to last... with less main-
tenance and cost to you.

The entire engine
block of a Merc is
one-piece die-cast
aluminum. There is
no head gasket to
blow... fewer joint
leaks to loosen and
leak. The pistons in
a Merc are forged

aluminum... lighter in
construction yet tougher,
more durable and cooler
running than the cast alu-
minum pistons found in
most competitor's out-
boards.

Mercury's aluminum drive shaft hous-
ing is die-cast in
one piece. It does not
depend on the holding
power of nuts, bolts, studs
and miscellaneous
parts.

The forged
aluminum clamp brackets on a Merc
are heat-treated to
the strength of steel
and are virtually
unbreakable.

Even on the
higher horsepower
Mercs, the clamp
brackets have wing
bolts that clamp to
the transom... in
addition to a provision for security bolts
through the transom. The lower unit
of a Merc has more backbone than that
of any other outboard. It is die-cast in
one piece to keep the husky gears and
shafts permanently aligned. There is no
grinding noise to snag rocks and
logs or gather weeds. The gearshift is
mechanical with no underwater electrical
parts to short out. The jet-prop has

no shear
pins. It is spline
driven and is
protected
by a low-
rubber safety
clutch that yields
momentarily on impact.

These are just a few of the compar-
isons in design and construction that
you can make. Your Merc-dealer can
point out many more. See him soon. See

St. Louis Armory Indoor Meet Opens Warriors' Track Season

An indoor track meet, believed to be the first in history for Granite City high school, opens the Warriors' season tomorrow. The meet, sponsored by the Greater St. Louis Athletic Association, will be held at the St. Louis Armory, Market street and Grand avenue. Preliminaries start at 4 p.m., finals at 7 p.m.

About 19 schools from the Metropolitan St. Louis area are entered, including Alton, East St. Louis and Granite City from the Illinois side.

A similar meet, at the same place under the same sponsor, will be held Saturday, March 21, with the Warriors again competing.

Team Lacks Speed
"We figure to have a great deal of difficulty in the sprints, hurdles and anything requiring a great amount of speed," Morrison said. "But in the shot, discus, pole vault, mile, half-mile, and mile relay, we should be as good as anybody."

Rich Williams To Play At Nit Saturday Night
Rich Williams, Bradley University guard and playmaker from Granite City, is expected to be in the lineup Saturday night when the Braves play the Alton Invitational Tournament at New York City.

The 5-10 Williams is averaging 9.1 points a game and has hit 47% from the field and 80% from the foul line. The Braves (20-6) will play the winner of tonight's game between Miami (21-6) and St. Joseph's (18-9).

Bobby Price Selected On All-Big Eight Team
Bobby Price, former Granite City high school star and now at the University of Missouri, has been named to the All-Big Eight basketball team. Price led Mizzou in scoring this season and will complete his eligibility in the first semester.

know, "we've been real lucky. We've had three weeks of practice and have run three sets of time trials."

This is Morrison's first season as head track coach. He joined the staff last fall as head football coach.

Heading the list of candidates is senior Joe Hiles, a standout in the shot put and discus. Other top prospects at this time, Morrison said, include:

Senior Gene Sternberg and junior Gary Lomax in distance events; seniors Ken Ferro and Elton Hall and sophomore Mike Porcile in the half-mile; sophomore Duane Bridges in pole vault; senior Dan Murphy in sprints; senior Ardell Blind in hurdles, and the mile relay team of seniors Glenn Bowman and Bob Pyle, junior Mike Mounce and sophomore Leonard Rogelle.

Morrison said the squad will travel to Alton high school Tuesday for a competitive indoor practice session with the Redbirds.

"Up until now," Morrison said, referring to this week's

Joe Hiles, Warriors' weight specialist, who should bolster the track team this spring.

Morrison and his assistants, Andy Sullivan and Leon Chapell, will take about 30 of the 115 track candidates to St. Louis tomorrow. Included in the events will be a mile relay and 880-yard relay for sophomores.

Meeting Set To Organize Park Leagues

A general organizational meeting for all managers, coaches and those interested in entering teams in the Granite City park district's summer boys' baseball program will be held at 7 p.m. Tuesday in the West Room of the Community Center.

Harold Brown, director of parks and recreation, emphasized that all adult leaders should attend the meeting. Meetings for the individual age group divisions will be held later.

Brown said an effort will be made to hold competition in a sixth division—the Senior for boys 17-21 years of age—for the first time. He said at least four teams are needed and that games would be played on Sunday afternoons.

Other divisions and the age ranges are: Junior, 15-17; Juvenile, 13-15; Mid-Juni, 11-13; Bantam, 9-11; and Atom, 7-9. Atom players must have reached their seventh birthday anniversary by May 1.

Brown predicted more than 1000 boys would participate in about 60 teams in the summer program. Last year, there were 54 teams.

The program will be kicked off May 23 with the annual baseball parade.

Parents may register their sons for the program by calling the park district office, TR 7-3059. Brown said the office also will assist anyone interested in forming a new team.

Cecil Bell, who captured the Midwestern Conference scoring title while leading the Madison Trojans to the championship, was one of two players selected by unanimous vote of the coaches in the first annual Press-Record all-conference balloting. It was announced today.

The other unanimous choice was Dave Blasingim of Bethalto Civic Memorial, the player Bell edged out for the scoring crown in the final Midwestern game of the season. Others on the team are John Duft of Highland, Gary Cook of Dupu and John Collett of Cahokia.

The entire starting five stands over six feet tall, headed by Cook at 6-4, and Bell at 6-2. The others are all 6-1.

The coaches, who could not vote for their own players, selected Tom Stein and Don Kerr of Cahokia, Roxana's Paul Crouse, Larry Payne of Bethalto and Madison's John Summers for the second team.

Stein and Payne are 6-4 and 6-3, respectively. All of the top 10 selections are seniors except the exception of Duft and Crouse, both juniors.

Strongman Cecil
Bell, with more muscles than a tentful of circus strongmen, won the Midwestern scoring title with a 24.3 average by scoring 33 points against Bethalto in a 90-65 victory. Blasingim finished second with a 22.7 conference mark.

Overall, Bell hooped an average of 22.3 points a game and went over the 20 mark in 14 of the Trojans' 24 games. He also averaged about 10 rebounds per game and hit 47% of his field goal attempts and 65% of free throw tries.

"A boy like Cecil is a pleasure to coach," said Coach Earl McClanahan, indicating Bell not only has great talent but is highly cooperative in practice.

Bell, who also won the Midwestern point title last year, was named to many "all" teams as a junior. And this season, he was named to the All-Southern Illinois team released yesterday by the Chicago American.

Blasingim Accurate
Blasingim, who paced Civic Memorial's Eagles to a 14-13 won-lost record, hit 52% of his field goal shots and 70% of his free throws. He also averaged 8.5 rebounds a game.

"His main strength, of course, is his scoring ability," said Coach Bob Jones. Overall, Blasingim averaged 20.3 points a game. Duft, described by Highland Coach Roger Kesner as a "real good boy all the way around," averages 45 points a game for the Bulldogs, who play Collinsville in the Vandalia sectional tonight.

He has lettered in football, cross-country, track & baseball, golf and basketball, and is a straight "A" student. He was picked on several all-conference teams last season as a sophomore and a 20.9 overall mark.

Cook A Darkhorse
Although the Dupo Tigers' Gary Cook had trouble at the free throw line (less than 50% accuracy), he hit 48% from the field and averaged 18 points and 10 rebounds a game.

"Some of the other coaches say he's a darkhorse college prospect," said Coach Del Ger-8 s.p.m. April 6 at Edwardsville. Cook not only has the high school.

Baseball Rules Meeting
A baseball rules interpretation meeting for high school coaches, umpires, principals, athletic administrators and players has been scheduled by the Illinois High School Association for 8 p.m. April 6 at Edwardsville.

Coach Skip MacMillan (left), gives instruction to Pat MacMillan and Kevin Niebur in foreground. In background, left to right, are John Niebur, Tom Niebur, Mike Neumann, John Kosyak, Len Fuchs and Bobby Miller. Other teams in the meet will be the Granite City park district and Riverview Gardens, Mo. Weight classes will begin at 55 pounds, with individual and team trophies being presented. There is no admission charge.

Prep Sectional Play Continues

Collinsville and Belleville, representing the Southwestern Conference, open play in sectional tournaments tonight as the Illinois High School Association's state championship basketball series continues.

Ranked as the state's top team, Collinsville (26-0) meets Highland (13-10) at Vandalia.

Belleville (23-5) meets Johnston City (14-11) at Pinckneyville. The Vandalia meet opened last night with Hillsboro downing Stoughton, 62-50, while Pinckneyville whipped Herrin 85-50 in their own tourney. Those winners will meet tonight's victors in the championship games tomorrow night.

The champion at Vandalia, expected to be Collinsville, moves on to play the Bridgeport winner Tuesday night at the Salem supersectional. The Pinckneyville champ goes to the West Frankfort supersectional to meet the Eldorado winner.

The eight supersectional champions advance to the state finals Friday and Saturday, March 20-21, at the University of Illinois. The West Frankfort winner meets the Springfield winner at 3 p.m. March 20 and the Salem winner plays the Rock Island winner at 7:30 p.m. March 20.

Since they are in opposite brackets, Collinsville and Belleville could meet in the state championship game.

Sky Steelers To Meet

The Sky Steelers model airplane club has invited all interested persons to attend their next social meeting Wednesday night at the home of John Fritcher, 2445 Edison avenue. Additional information may be obtained by calling TR 7-8255. The club announced 12-year-old Donald Kary won the model airplane given as an attendance prize Monday night at the YMCA open house.

Ki Bayer's 783 Total May Be All-Time Mark

Ki Bayer, bowling in the Handicap A League Tuesday night at Bowling, hit what may be the highest three-game total in Quad-City league history.

Bayer fired singles of 248, 288 and 247 for a whopping 783 total. A bowler for 15 years, he rolls for the Na-Bor-Hood Li-quors team.

"It's the highest I can remember in 25 years of bowling," said Jack Jachino of Bowling. The total set a new record for Bowling, surpassing the 776 rolled by Jim Vrenick four years ago.

A draftsman for Union Electric Co. in St. Louis, Bayer has a 201 average in the league. He also bowls in the Classic League and maintains a 205 mark there. It was the highest total in Bayer's bowling career. "This was the big one," he said. The series came on lanes 15 and 16 at Bowling.

Officials at both other local houses, Tri-Mor and Madison Bowl, believe the total might be

the all-time record for the Quad-Cities.

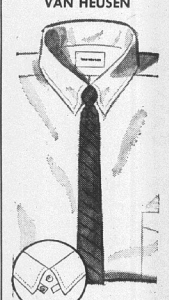

And France Laux, Tri-Mor co-manager and noted sports-caster, ventured it might be the highest this year in the nation.

GIRL SCOUTS WORK ON EASTER PROJECTS

A weekly meeting of Girl Scout Troop 158, sponsored by the Maryville PTA, was held Tuesday afternoon. The flag pledge and Girl Scout promise were led by the Patrol One Leader, Debra Honnell.

The girls continued work on Easter boxes and also discussed another badge which will be started.

Present were Debra Bell, Pamela Gachig, Roberta Jackson, Patty Lathrop, Debra Murphy, Mary Boole, Peggy Hamm, Vickie Harris and two new members, Debra Cottrell and Jean Wilson, and the leader, Mrs. Betty Bell.

BROWNIES COMPLETE HANDICRAFT PROJECT

A regular meeting of Brownie Troop 886, sponsored by the Nameoki PTA, was held Tuesday afternoon in the home of Mrs. Billy Riedle, 2118 Woodlawn avenue. Following a short business meeting, opened with the pledge of allegiance and Brownie promise, the girls completed a handicraft project for the Easter holiday.

They played games, sang and practiced songs they will sing at the Nameoki PTA meeting Tuesday evening.

The troop welcomed a new member, Cathy Jones. It was announced that Girl Scout tree planting will be held at the Kidie Korral Saturday. All were asked to attend. The meeting was closed with "Tap".

Those present included Judy Shady, Peggy Davis, Jackie Arnold, Pamela Clark, Kathy Cowan, Rosa Fry, Marsha Hileman, Carolyn Jamison, Connie Maxwell, Laura Metz, Valerie Miskelley, Pamela Hassler, Terry Sue Rice, Elaine Riedle, Patty Schnefke and the leaders, Mrs. Carol Davis and Mrs. Billie Riedle. Lloyd Riedle assisted with handicraft. The next meeting will be Tuesday at the school.

SURPRISE PARTY HONORS MRS. BOOTH

A surprise birthday party was held Tuesday evening in the home of Mrs. Fred Rollins, 1214 West Pontoon road, in honor of Mrs. Margie Booth, 208 Briarcliff.

Mrs. Rollins had decorated her home in keeping with a child's birthday party. The birthday cake held clovers, and there were favors and party hats at each place setting. The table was decorated with orange, blue and white crepe paper streamers.

All the guests were dressed as girls in following the theme. The evening began with a late dinner served by the hostess. The guest of honor then opened many gifts, and all listened to records.

Those present were Mesdames Billy Riedle, Carol Davis, Pauline Fleck and Barbara Lawrence and Misses Marlene and Sue Ann Reaka, Terry Rollins and Michael Lawrence.

MARYVILLE PTA TO HEAR CANDIDATES

The executive board of the Maryville PTA met Tuesday evening at the school. President Pat Baumburger presided and Mrs. Ruth Knapp, program chairman, announced the program for the PTA meeting next Tuesday evening. School board candidates will be present for short introductions and talks.

Girl Scout troops sponsored by the school will present entertainment.

An "All-School Art Exhibit" at the Granite City high school gymnasium May 4 was discussed. Mrs. Helen Hayes will be publicity chairman.

A report was submitted by Mrs. Laverne Malzynski, who is in charge of a coming rummage sale. A date is to be selected.

A discussion was held on sending two delegates to the PTA convention in Chicago Apr. 23-25. Legislation to be acted upon at the convention was discussed.

During the PTA business meeting, election of officers will be held. A film will be shown to the children.

Those present included Mesdames Hayes, Mary Church, Jean Orr, Knapp, Dorothy Luckert and Baumburger, and Principal Owen Humphrey and Wyatt Watkins.

WOMEN'S ASSOCIATION MAKES SPRING PLANS

A monthly meeting of the Nameoki United Presbyterian Women's Association was held Monday evening at the church. The meeting was called to order by President Adele Gregory, with everyone reading in unison the UPW purpose.

Devotions for the evening were given by Mrs. Lu Pyle, who read names of missionaries for the day and closed with prayer.

The Spring Presbyterian will be held Apr. 16, with the day meeting in Alton and the evening meeting in Wood River. Reservations must be in by Apr. 9.

Bonnie Britton volunteered to be the representative from the Women's Association to the long-range building committee, and Mrs. Louise Anderson was elected to the nominating committee.

Departmental reports were given. Plans have been made for May Fellowship Day at Niedringhaus Methodist Church May 1, and to secure blankets for Blanket Sunday and sheets needed for cancer dressings being made by women of the church. Donations of \$3 will be accepted instead of blankets.

Plans also were discussed for annual mission sewing and giving.

Departmental reports were given. Plans have been made for May Fellowship Day at Niedringhaus Methodist Church May 1, and to secure blankets for Blanket Sunday and sheets needed for cancer dressings being made by women of the church. Donations of \$3 will be accepted instead of blankets.

Plans also were discussed for annual mission sewing and giving.

During the PTA business meeting, election of officers will be held. A film will be shown to the children.

Those present included Mesdames Hayes, Mary Church, Jean Orr, Knapp, Dorothy Luckert and Baumburger, and Principal Owen Humphrey and Wyatt Watkins.

WOMEN'S ASSOCIATION MAKES SPRING PLANS

A monthly meeting of the Nameoki United Presbyterian Women's Association was held Monday evening at the church. The meeting was called to order by President Adele Gregory, with everyone reading in unison the UPW purpose.

Devotions for the evening were given by Mrs. Lu Pyle, who read names of missionaries for the day and closed with prayer.

County Drops Proposal For Building Purchase

The new building committee of the Madison board of supervisors has dropped consideration of two buildings in the Edwardsville business district as sites for county offices.

The finance committee informed the group that the county has no funds for additional office space. The courthouse committee also informed the buildings committee that the courthouse has sufficient space for offices at the present time.

Offered for sale to the county were the old Knicker building diagonally across from the courthouse, and the Leland hotel, directly across the street.

A new 22-member citizens commission is to make a study of county building needs, including conditions at the county jail.

Truck Damaged By Fire

A truck owned by the New Way grocery, 1001 Douglas street, Venice, was damaged by fire during the weekend, it was discovered Monday. The vehicle was parked in a garage at the rear of the store. The blaze was attributed to a short circuit, in wiring beneath the dashboard, and the damage was described as extensive.

Right-Of-Way Charge

Autos driven by Donald Cairns, 38, of Webster Groves, Mo., and Clarence Meyer, 1909 Grand avenue, were involved in a collision at 20th street and Grand avenue at 9:30 a.m. Wednesday. The front of Cairns' car and the left side of the auto driven by Meyer were damaged. Meyer was charged with failure to yield the right-of-way.

LINK WITH UNITED FUND was recognized Tuesday as the Red Cross chapter observed Red Cross Month by presenting certificates of appreciation to Floyd T. Mitchell, past chapter chairman, A. P. Steinhauer, UF drive chairman, and John Solenberg, UF executive director. Pictured (left to right) are Mitchell, Red Cross Chairman John Sedlack, Steinhauer, Mrs. Ruby Overbeck, Red Cross executive secretary, and Solenberg.

RETIRING RED CROSS VOLUNTEER, Mrs. Anna Grosse (left), is shown being presented a dozen roses by Red Cross Chapter Chairman John Sedlack, Mrs. Ruby Overbeck, executive secretary, awarded Mrs. Grosse a pin recognizing her 25 years of service.

Makes Left Turn, Hit

Making a left turn into a parking lot at 1412 Niedringhaus avenue Monday, a car driven west by Hazel G. Holmes, 63, collided with a car driven by Larry J. Green, 22, of the Granite City Army Depot.

Red Cross Honors Mrs. Grosse And Local United Fund

Mrs. Anna Grosse retired Tuesday as treasurer and chapter chairman of the Tri-City chapter of the American Red Cross, ending an active 25-year association with the organization. Floyd T. Mitchell was named acting treasurer for the remainder of the 1963-64 year.

Mrs. Grosse and her husband, Otto H. Grosse, 2437 Benton street, who is retired from the American Steel Foundries, plan to move in about two weeks to Marquette Heights, Ill., near Peoria, where their daughter, Mrs. Paul Parnley, resides.

In addition to her service as treasurer, chapter chairman and Army Depot blood bank director, Mrs. Grosse headed the entertainment committee during its existence, making frequent trips to Scott Air Force Base. She was honored at the last annual meeting as the chapter's most active participant in volunteer service work.

Salute United Fund
At its monthly board meeting Tuesday afternoon, the chapter also honored A. P. Steinhauer, John Solenberg and Mitchell with presentation of Red Cross service certificates signed by National Chairman E. Roland Harman.

Steinhauer was drive chairman as the United Fund reached record receipts of \$30,315 in 1963. Solenberg is UF executive director and Mitchell is immediate past chairman of the Red Cross chapter. The certificates were awarded by John Sedlack, current chapter chairman.

The ceremony called attention to the fact that the Red Cross is a United Fund agency, will not conduct a separate fund drive during March, proclaimed by President Lyndon Johnson as Red Cross Month in the U.S. Instead of funds, the chapter is using the month to tell of its services and to encourage more people to join as volunteers.

Resuscitator Purchase
The board approved purchase of a small mechanism, shaped like a child, to be used in Red Cross first-aid classes to teach mouth-to-mouth resuscitation. Distribution of cards explaining the resuscitation technique is to be studied.

An area meeting in Edwardsville last night and the national convention in New York May 17-20 were announced.

Mrs. Ruby Overbeck, executive secretary, reported 139 home service contacts in February, with financial assistance totaling \$235.

Accident At Intersection

A car driven east on 21st street by Floyd D. Johnson, 22, of 2114 Lee avenue, and one driven south on Iowa street by Ogle Smith, 57, of 2613 Cayuga street, collided at the intersection at 4 p.m. Monday. Smith said he made a stop but did not see Johnson. The left front of Johnson's car and the right rear of the other car were damaged.

Bus Stops, Hit By Car

The rear of a B-State Transit bus driven by Joseph L. Weber, 38, of East St. Louis, was struck by a car driven by Henry D. Alexander, 41, of 133 Voigt place, at 7:30 a.m. Tuesday on Edwardsville road at Iron street. The car was unable to stop due to ice and snow. The bus had no other passengers.

Two Autos Collide

While making a left turn from Nameoki road onto Madison avenue, a car driven by Earlene H. Moody, 48, of 2332 Cardinal avenue, was unable to stop because of street conditions and collided with one driven by Edward G. Whaley, 35, of 2929 Washington avenue, at 3:15 p.m. Monday. The right rear of her car and the right front of his were damaged.

Auto Pulls From Curb, Hit

Theresa Blankenship, 19, of 3208 Clark avenue, told police Monday she did not see a west-bound car on 21st and Iowa streets as she pulled into the traffic lane from a parked position and collided with an auto driven by Orville Cook, 1983 Sken street, Madison. The left side of her car and the right front of his car were damaged.

SACKS CONTAINING \$15,000—the donations made during Sunday's mass oral polio vaccine program—being deposited at the Granite City Trust & Savings Bank. Left to right are—Mrs. Parker Bigley, county March of Dimes chairman; Mrs. Keith Parker, Quad-City March of Dimes chairman; and H. D. Karadjeff, chairman of the bank board, who aided them in making the deposit.

Donations At Polio Stations In County Totaled \$15,000

Donations to finance Sunday's mass administering of oral polio vaccine totaled nearly \$15,000, it was reported yesterday by county March of Dimes chairman Mrs. Parker Bigley.

She said the contributions placed in Eschbols at the stations throughout the county would pay about 80% of the cost of the vaccine. The county March of Dimes organization, which already is arranging for the second mass program on May 3 will make up the difference.

Mrs. Bigley also issued a reminder to Quad-Cityans to remember to take their children to the vaccine from 4 to 9 p.m. in the Washington Theatre lobby for persons who did not take the vaccine on Sunday. Those taking the vaccine tomorrow will be eligible for the second and final dose on May 3, she said.

She praised local volunteers for their assistance in promoting the program and helping to carry it out. Without the help of judges, clerics and other adult organizations, and the Girl and Boy Scouts, she said, the operation of the clinics could not have been carried out.

Organization, Operation
"We can't name every individual who participated in making the program a success, but there are those who deserve credit in the organization and in the operation of the clinics," Mrs. Bigley commented.

The doctors, she said, include B. B. Bernier, Felicia Koch, P. B. Dioneda, M. G. Baggett, Otto Bauer, W. W. Bowers, J. C. Bayers, D. G. Caris, Jacob Cohen, Melvin Freedman, R. S. Hill, Anthony Infante, P. J. Lamb, L. G. Reed, J. J. Riley, Alan Skirball, P. A. Spaskos, B. R. Thiele, Hector Zevailos, Matt Eske, D. J. Freeman, Bart Cole, Lloyd Hill, W. A. Fingal and C. J. Chere.

Members of the Madison-St. Clair county pharmacists group aiding at the stations included Bernard Miller Jr., Donald Vaughn, Algren Anderson, Mrs. Jo Ann Anderson, Ronald Braser, Donald Brauer, William Dayton, Daniel Donahue, William Duckworth, Roy Egechtel, Gabriel Gantcheff, Ralph Goetzman, James Hull, Melvin LeVaut, Bernard Miller sr., Robert Mills, George Mitchell, Carl Otis, Gene Forder, Dennis Foster, Gene Remach, Ronald Rojas, Matthew Sarich, Mrs. Phyllis Sarich, Eugene Schipper, Paul Schuler, Philip Sheridan, Hillary Still, F. E. Van Breusegan, Cliff Weldon, Arnold Weintraub, Neil Winters and L. Wulter.

Mrs. Bigley also praised the work of the Granite City Jaycees, headed by Boyd Presley and Earl Dotzauer in handling Quad-City deliveries of the serum and John Sedlack for using his ambulance to deliver the vaccine from the hospital to the headquarters at Coolidge junior high school and also to make the deliveries to Highland and Edwardsville.

She added that close tab on vaccine needs was maintained by members of the Tri-City Amateur Radio Club headed by Philip Szymarcak and Robert Skinner.

Girl Scout Week Theme
Participation by Girl Scouts in the oral polio vaccine program followed this week's 52nd anniversary of Girl Scouting—A promise in action."

Nineteen troops of District 4 (Quad-City) of the River Bluffs Girl Scout Council assisted, including Cadette and Senior Girl Scouts.

At Venice were Troop 114 led by Mrs. Dorothy Bergth and Mrs. Norma Hellmer; Troop 170 led by Mrs. Jackie Frizzell; Troop 161 led by Mrs. Eva Maurer; Troop 826 led by Mrs. Mary Massman and Junior Troop 238 led by Mesdames Catherine Hillbrand, Mary Simmons and Margaret Lee.

Aiding in Madison were Troop 799 led by Mrs. Mable Dandridge; Troop 742 led by Mrs. Madeline Jewell Barnes, Hilda James and Grozella Wright.

Those giving assistance in Granite City were—Troop 263 led by Mrs. Judy Jones; Troop 145 led by Mrs. Lu Ella Edwards; Troop 234 led by Mesdames Norma Walton and Ruth Bailey; Troop 143 led by Mrs. Glee Sedbert aided by Mrs. Helen Santagato; Troop 259 led by Mrs. Judy Stille; Troop 21 led by Mrs. Wilma McQuinn; Troop 224 led by Mrs. Mary Stagle; Troop 80 led by Mesdames Harrod Brown and Margaret McCalla; Troop 229 led by Mesdames Jeri Schab and Sara Beale; Troop 256 led by Mrs. Mary Ann Reid; Troop 111 led by Mesdames William Bollinger and Mrs. Leo Schank; Troop 25 led by Mesdames Edgar Votaw and Howard Wallace and Troop 85 led by Mrs. Archie Beatty.

In the operation of the stations and the headquarters, Mrs. Bigley said, assistance was given by sororities, clubs and other organizations. She praised the Jaycees and the Tri-City Amateur Radio club members for their roles in making the day's operation a success through the delivery of the serum and supplies.

She added that 1345 cups of coffee were donated by the Nesbitt Co. for the volunteer workers at the stations. Arvo Dressel Dairy, Maryland, Gl-Rite and the A&P store gave hams, the Tastee Co. gave bread and the Bismarck Bakery furnished 1000 doughnuts. In Madison, the aldermen bought soda for the youngsters visiting the stations.

She added that police departments and the sheriff's office aided in handling traffic at the centers and the Granite City Trust & Savings Bank opened its doors to receive the donations for safekeeping.

COLOR ME RED

For a hundred years my bright red form has been the herald of help. Through war, pestilence, fire, flood, earthquake and hurricane I have endured as a symbol of man's humanity to man. I have bound up the battlefield wounds of a century of wars . . . and I continue to bring packages of food and comfort articles to prisoners of war. And I have created a League of Red Cross, Red Crescent, Red Lion and Sun Societies, in 99 nations, who observe the Geneva Conventions of international cooperation.

BUT WHAT DO I STAND-FOR IN THE TRI-CITIES AREA?

I stand for service — preparedness — assistance — training — for all Tri-Cities residents, and for servicemen stationed at the Granite City Army Depot. You will find me displayed in the Chapter Office at 2035 State St., Granite City, where I represent a world-wide link between servicemen and their families in time of emergency. I stand for these services available to all:

It's time to THINK GREEN!

Spring is just around the corner! That's why we recommend TURF BUILDER now. Early fertilizing means early green-up. Also early root development, sturdier grass, thicker turf.

TURF BUILDER is the only grass fertilizer that's Trionized — to give sustained feeding. Its protein-building nutrients are "locked in" until needed, then automatically released only at the time and rate most beneficial to the lawn.

Dollar for dollar, TURF BUILDER is your best fertilizer buy.

MECCA Hears Data Reports By SW Area Plan Commission

Progress by the Southwestern Illinois Metropolitan Area Planning Commission toward an orderly and steady growth for Madison and St. Clair counties was reported Monday night by Theodore Mikesell, executive director, to 20 representatives of the Metro East Chambers of Commerce Association.

At the meeting, held in the Club Flame near Edwardsville, Mikesell said the commission has filed for a U. S. planning grant for a preliminary study on land use, population and economies of the two counties. About \$54,000 would be needed, and the inquiry is to be made to determine if this area could qualify for it.

Reports were made on a proposed public tour of the new Southwestern Illinois University campus, the recent alternate to the plan to hear reports by national C. of C. officers and the progress of state tourism promotion. Francis Kaur of the Great Alton Chamber said representatives of Shell Oil Co. are interested in aiding the two counties with promotion of tourist visits.

Other reports were made on the increased freight handling at the Bi-State Agency's Granite City harbor and the Bi-State Transit System bus operation complaints at Belleville.

Mrs. Cawley Heads Emerson PTA

The Emerson school PTA met Tuesday evening in the school gym and elected officers for the coming year.

Mrs. Bernelle Cawley was named president, and others on the slate were Mrs. LaVerne Meyer, vice-president; Mrs. Marilyn Harris, secretary; and Mrs. June Sparks, treasurer.

Mrs. Newell Danner, the retiring president, called the meeting to order and the invocation was given by Chaplain Billy Cox of the Army Depot.

Spring projects were announced, including a ham and bean supper April 2 at the school, tickets for which may be purchased from the children, \$1 for adults and 50 cents for children.

Mrs. Marlyn Harris announced there would be a "white elephant" booth.

Mrs. Walter Johnson, chairman of rummage sales through the year, gave her report and also reported that pictures purchased as a special project this year would be on display in the hall for the May meeting.

The annual picnic will be held at Wilson Park June 1, and Mrs. Delores Sanders, Girl Scout troop organizer of Webster school, introduced Mrs. LaVerne Meyer and Brownie Troop 198, who presented a skit, "Brownies Around the World"; Mrs. Sanders presented an attendance book.

Mrs. Pool adjourned the meeting and refreshments were served by the third grade mothers.

Webster PTA Elected Officers

The Webster school PTA was held Monday at the school and the president, Mrs. Pat Pool, opened the meeting. New officers elected were: Mrs. Jane Sartorius, president; Mrs. Frazier vice-president; Mrs. Rose, secretary; and Mrs. Jeanette Marchant, treasurer.

Principal Clyde Lee read the prayer with Cadet Girl Scout Troop 29, and Mrs. Sophia Green presented the flag ceremony and led the flag pledge.

Reports were given by Miss Emma Rose and Mrs. Helen Frazier. A short talk was given by Robert Cridder, a school board candidate.

Mrs. Hopkins' second grade class was presented with the book of the month award. Mrs. Pool announced a rummage sale, April 10, at Odd Fellows Hall.

The hostess had decorated the home in a St. Patrick's Day theme with white and green streamers. The table was adorned with white and green streamers with a figure of St. Patrick as centerpiece. Many of the members were awarded prizes.

A dessert course was served to Mesdames Lucretia Wright, Beverly McRaven, Jo Ann Hadden, Judy Jones, Carmel Grider, Dolores Zeugin, Sandy Cavar, Jo Ann Stirling, Elaine Parrish and the hostesses. The next meeting will be held May 5 in the home of Mrs. Carol Cottrell, 2828 Sun Drive.

SPIRIT JAR PROJECT

A weekly meeting of Brownie Troop 738, sponsored by the Frohardt PTA, was held Tuesday in the school cafeteria. The meeting was opened with the pledge of allegiance and Brownie promise.

The girls continued work on projects which they are making by attaching details to baby food jars. The troop welcomed three new members, Francella Lane, Janet Green and Denise Sharp.

The meeting was closed with the Brownie goodbye song sung in unison. Others present were Kay Hoffman, Randee Harper, Jeannie Corbin, Joyce Littlejohn, Michele Mathenia, Betty DeVries, Denise Schuber, Cheryl Willis, Patricia Cottrell, Janice Garber, Kathy Petrovich, Sheryl White, Peggy Williams, Marlene Hinson, Denise Mize, the new members and the leaders, Mesdames Sandy Harper and Gloria Coffman.

PLAN SCOUT PROGRAM FOR FROHARDT PTA

A monthly meeting of the Frohardt PTA executive board was held Tuesday evening at the school. The business meeting was conducted by the president, Joe Kalela.

It was announced that Girl Scouts and Boy Scouts will give the program at Tuesday's PTA meeting. Also present will be seven candidates for the school board.

A proposed slate of incoming officers presented and the election will be held Tuesday evening. Officers for the new year will be installed in April. Mrs. Marlene Manogian, ways and means chairman, announced plans for a child supper in April.

Present were Mesdames Maxine Elston, Marlene Manogian, Louise Anderson, Mary Jessee, Alice Worthen and Jo Ann Kalela, and Kalka, and Harry Marshall, principal.

NAMOKI PTA BOARD DISCUSSES CHARTER

The Nameoki PTA executive board met in the school cafeteria Tuesday evening. President Raymond Schubert opened the meeting and Olin Hennes reported purchase of a frame for the Boy Scout charter, which will be hung in the school hall. The nominating committee presented a slate of proposed officers for the new year.

Mrs. William Knapp and Walter Volkman were nominated to attend the PTA convention in Chicago April 23-25. Mrs. Carol Merz will be the alternate. Chairmen of committees asked to bring lists of their duties to be passed on to new charmen at the next meeting. Revision of by-laws also will be discussed.

Girl Scouts will present a 40-minute program to the PTA next Tuesday evening. Those present were Volkman, Hennes, Joe Eavenson and Mesdames Evelyn Cross, Mabel Gertsch, Alma Cowan, Betty Feurich, Carol Merz, Barbara Smith and Knapp.

Farmers To Discuss Sales Boost To Foreign Countries

How to sell more Illinois agricultural products abroad will be discussed at a Farm Bureau foreign trade conference March 28 on the campus of Illinois State University at Normal.

The principal speaker will be Charles B. Shuman, American Farm Bureau Federation president. Gov. Kerner will be the keynote speaker.

of Tennessee Ridge, Tenn., holding services each night at 7:30.

Royal Ambassadors met at First Baptist Church Tuesday evening with the leader, Joe Jackovich. There was a play period and the boys attend revival services now in progress.

The RA meeting was opened with prayer by Clifford Baker and was closed by Darrell Harrison. Others present were Rick Wright, Jimmy Seay, Steve Stagner, Johnny Busch, Ricky Seay, Delmar Lewis and Bobby Carson.

HOME FROM GERMANY

Pfc. George Parson visited his brother and sister-in-law, Mr. and Mrs. Jim Parson, 2625 Sixth street Sunday. He has just returned from Germany and will be stationed in California after spending a 30-day leave with relatives here and in Missouri.

They were a 1964 white two-door owned by James W. Dosses, 2939 Morgan avenue, and a 1962 blue two-door owned by Cliff Causey, 725 Ashland avenue.

\$92 Theft At High School
Ronald James, 2423 Hemlock avenue, reported at 9 a.m. today that yesterday someone broke into his locker at Granite City high school and stole \$92 from his wallet.

Ted Hiltz, manager of Wells Tire Co., 2243 Madison avenue, reported at 9 a.m. today that yesterday someone broke into his locker at Granite City high school and stole \$92 from his wallet.

A travel bag, a box of insurance papers and two empty bank deposit bags were stolen from a car owned by Homer Johnson, 2122 Johnson road, while it was parked last night after the Bowland alley or in front of his home.

Vic Lisac, 1800 Amos avenue, reported that a 2½ horsepower motor-bike was stolen from his unlocked garage between last Thursday and Saturday.

Dog Thwarts Burglars
A dog tied in the back room of Chuck's tavern, Pontoon road and Kaseberg lane, apparently frightened away burglars. It was reported Monday to the Madison county sheriff's office. Entry into the tavern was gained from the rear by breaking a 12x15-inch glass and reaching in to knock off a lock. The dog was between the burglars and the main part of the tavern. The proprietor said nothing was missing.

An AM & FM table model radio was stolen from the waiting room of the office of Dr. Jacob Cohen, 2046 State street, it was reported at 4:20 p.m. Tuesday.

George Winter Stricken
George H. Winter, Anchorage Homes, is in critical condition today at St. Elizabeth Hospital after suffering a heart attack. He is the father of William F. Winter, associate editor of the Press-Record.

ployee Madison plant should not affect the jobs of employees, nor will it have any adverse economic effect on the Madison area, Bensinger said.

"The plant will be offered as part of a going business that can serve as the core of a new, or a greatly strengthened business," he added. "In the meantime, Owens-Illinois will continue to operate it as in the past."

"The skilled, experienced personnel of the box plant here will be essential to its future successful operation by a new owner," he told the Press-Record.

Own 16 Other Box Plants
In addition to the Jacksonville containerboard mill and the five box plants to be disposed of under the consent judgment, Owens-Illinois operates four containerboard mills in Valparaiso, Ga., Tomahawk, Wis., Big Island, Va., and Jatte, O., and 16 other containerboard plants in 10 states.

It also has corrugated box departments in eight of its 17 glass container plants. Main offices of the firm are at Toledo.

Appraisers are expected to visit the local plant in April, and the sale price would have to equal or exceed the appraised value. Both the company and government would participate in approving a purchase proposal.

operated by the Forest Products Division, Owens-Illinois, the plant is located west of State street. It is part of the former car shops property.

Man, 22, Arrested After Popcorn Machine Is Looted
Eugene Foster, 22, of 112 Hill street, Eagle Park Acres, was arrested at 6 p.m. Monday on a charge of theft at the Madison Laundromat, 608 Madison avenue.

Madison police said the laundromat's popcorn machine was broken into with a screwdriver and \$320 in coins missing. Venice police made the arrest after the suspect walked from the laundromat to Venice. Foster was released on property bond to appear in court March 21. Police reported several women were in the laundromat at the time of theft.

Traffic Crashes Injure Seven

Seven persons were injured in five of 22 traffic accidents occurring in the Quad-City area since noon Monday. Snow, slush and ice caused most of the crashes.

Two persons were injured in a three-car accident at 3-40 p.m. Wednesday at 2511 Pontoon road.

Taken to St. Elizabeth Hospital for emergency treatment were George White, 20, of 118 Briarcliff, with pains in the back of the neck and head, and John Brown, 23, of 2117 Washington avenue, with neck, back, chest and right ankle injuries. Both were released.

They were among six passengers in a station wagon driven by Bob G. Blaylock, 32, of Rural Route One, Police said a car driven by William J. Schaab, 37, of Belleville, with three passengers, stopped for a school bus and was struck in the rear by a car driven by William C. Schmelz, 35, of New Athens, who was hit in the rear by Blaylock. The cars, all headed east, were damaged at points of impact.

Two Hurt On Broadway
Both drivers were injured in a collision of westbound autos on Broadway at Sixth street, Venice, at 4:35 p.m. yesterday. They were Jacqueline Lee, 48, of 1005 Calhoun street, neck and shoulder injuries, and John P. Steinhilber, 16, of 1542 Second street, Madison.

There was damage to the left front of the Stein auto, and the left rear of the other car, which was making a left turn.

Mrs. Glen Uhley, 2250 Edison avenue, suffered bruises to the leg when the car she was driving hit a patch of ice on a viaduct on Highway 111 near East St. Louis Tuesday evening. She drove to Granite City and was reported to St. Elizabeth Hospital for emergency treatment.

put aside other work to complete the remaining 10 appraisals by Monday afternoon and present them to Ragdale.

Of the total number of parcels of property to be bought for the new roadway, 17 are ready for negotiations. The city is to handle the right-of-way acquisition through City Atty. George Filcoff Jr. It was reported Filcoff has started negotiations with two owners.

The state officials said deeds could be secured for quick acquisition if condemnation proceedings are required. They added the state is anxious to start the project.

The state highway men agreed to process the remaining appraisals as quickly as possible. However, there was no indication if the project could be started this year. It is listed on the state's work program again this year.

Under an agreement made in the 1950s, the state is to pay 90% of the cost and the city the remaining 10% with its motor fuel tax funds.

Route One, was treated at St. Elizabeth Hospital at 6:20 p.m. Tuesday for severe sprain to the right wrist suffered when a car driven by her sister, Diana Arthur, 37, hit a chuck hole on Rock road and slid down an embankment into a tree. She was released.

Mrs. Olive Guenther, 23, of 1929 Lynn avenue, was admitted to St. Elizabeth Hospital at 6 p.m. Monday with injuries to the left side of the neck, shoulder, arms and ribs received in an automobile accident, which damaged the side of her car. City, county or state authorities could find no record of the accident.

moral obligations associated with the handling of these funds, we, the Carpenter supporters, now working as Mr. Carpenter himself is doing in behalf of Charles Percy, have no alternative but

to take legal action." Straube added that "this action is a result of many people who had contributed to the Carpenter testimonial banquet fund, wanting their money to be used for Mr. Percy, or at the very least, held until after the primary to be used in the November general election."

"Use Funds After Primary" John Melott, county chairman of the Percy for Governor committee, said "we are very concerned about this bold attempt to use the money of Madison county citizens for purposes other

than those intended by many of Mr. Carpenter's supporters. "We intended to do as Mr. Percy had done when offered the state Carpenter fund; that is, release the Carpenter county funds until after the primary. "We felt these funds could be utilized by the winner of the primary and had intended no action. I am very pleased at the initiative of Mr. Straube and his interest in protecting the investment of Mr. Percy's many friends in Madison county." The executive committee of the Friends of Carpenter de-

clined recently to change its name to "Friends of Carpenter for Scott," even though Carpenter threw his support to Percy. He said executive committee members voted 10 to 2 to endorse Scott.

Welfare Agencies To Benefit From Downtown Style Show

Advance ticket sales for the third annual spring fashion show of the Downtown Granite City Shopping Center, scheduled for next Thursday night at the Washington Theatre, "are very brisk," Miss Viola Raaf, chairman of the promotion reported today.

The tickets, which cost 50 cents per person, are being sold by member churches affiliated with Catholic Charities and the Protestant Welfare.

"All proceeds from the tickets will go to these two religious groups," Miss Raaf explained. She added, "Not one cent of our expenses will be paid out of the money taken in from the sale of tickets."

Tickets are also being sold at member firms, stores and offices belonging to the Downtown association, but that, here too, all proceeds will go to the church groups, Miss Raaf said.

There is a stub on the tickets on which the purchaser can mark whether or not he wants the 50 cents to go to Catholic

Venice Lions Discuss Fire Safety, Dropouts

Fire safety and school "dropouts" were the topics as Venice Lions held a regular dinner meeting Monday evening at the Legion Post 307 home, with 20 members present. President Zahra Weiss conducted the meeting and reports were given. Correspondence was read and tentative plans were discussed for Henry Devany, fire marshal, to be invited to meet with the group Apr. 27 and acquaint members with fire hazards in the city.

Ben McRaven To Attend Army Management Course

Milton Morris, program chairman, has made arrangements for guests at the next meeting to be Miss Moore Groshong, school guidance counselor, and Roger Davis, grade school principal. They will speak on school counseling and "dropouts." Other clubs also are to be invited to attend the meeting.

Grider To Head Artist Guild During 1964

Granite City Artist Guild officers for the coming year will be Jerry Grider, president; Mrs. Gloria Law, secretary; and Mrs. Patricia Ellen Slidmore, publicity chairman. Establishment of by-laws is being discussed, along with a proposed bulletin.

The group has prepared a scrapbook that includes a collection of art literature.

St. Pat's Party For Church Class

Mrs. Thelma Matignon, 2453 Cleveland blvd., entertained the PAC class of St. Peter E. & R. Church at 9 St. Patrick's party Monday evening.

White and green prevailed in the appointments and shamrocks served as favors. Mrs. Freda Bennington conducted the business session and at its close there were games with prizes going to Mrs. Esther Zimmer, Miss Thelma Weisenborn, Mrs. Gladys Kadar, Mrs. Irene Wright and Miss Alice Bohmstedt. The next meeting will be held April 13 in the home of Mrs. Virginia McLester on Edison avenue.

WCTU Plans Spring Institute

A number of local women, members of the Woman's Christian Temperance Union, attended a meeting of the executive board of the Madison county WCTU Monday in the home of the county president, Mrs. Russell Harris, near Postburg.

They were Mrs. Bethel Davis, president of the local unit, Mrs. William Schooley, county secretary, and Mrs. Pearl Campbell. Five locals were represented at the meeting, including those of Alton, South Roxana, Upper Alton, Wood River and Granite City.

Mrs. Harris presided and during the business hour there was planning and placing of various coming events. The spring institute is to be held in Edwardsville, the fall convention in Wood River and the dinner for honorary members in Upper Alton in the autumn.

Circle Meets At Carson Home

The Ford Hays Circle of First Baptist Church met Tuesday afternoon in the home of Mrs. Dolores Carson, 2134 Iowa street. Nine members responded to roll call.

Mrs. Ellen Douglas, chairman, was in charge following the opening prayer by Mrs. Mary Lou Summers. Reports were given by various committees and a gift was presented to one of the number, Mrs. Pauline Harp, who was injured in a fall recently.

Clothing was donated to a needy family and Mrs. Harp was elected secretary to fill the unexpired term of Mrs. Louise Baker.

Mrs. Harp was the devotional leader for the day and Mrs. Summers was in charge of the program, which included a circle of prayer for the success of the revival now in progress at the church.

After the group adjourned, refreshments were served by the hostess.

A review of the autobiography of Quentin Reynolds, a well-known newspaper correspondent, was given by Mrs. their daughter, Miss Charlotte E. D. Kincaid at a meeting of the Lesche Literary Club Tuesday afternoon in the home of Sherlin Heiman, 1412 Oakland avenue. Mrs. E. E. Veith, 2490 Ponemon avenue, was present.

The prospective bridegroom, a Mrs. Henry George opened the graduate of the Granite City meeting with the pledge of a high school where his fiancée is a junior, is employed by Inland collect and Mrs. Lester, presiding. The usual business was transacted and reports were given.

Mrs. Harold Dorries supplied the musical portion of the program, playing piano transcriptions of two hymns, "Sweet Hour of Prayer" and "Were You There When They Crucified My Lord?"

A dessert course was served before the meeting and plans were made to meet April 14 in the home of Mrs. James R. Craddock.

GUEST SPEAKER AT HOME ECONOMISTS MEET
The Madison County Home Economists in Homestead will hold a meeting at 7:30 o'clock this evening at the East Alton Savings and Loan Association.

The guest speaker will be Miss Nelskie Dehann, an exchange student from Sneek, Netherlands. She is presently a senior student at Roxana high school, and speaks French, German and English fluently. She is currently studying Spanish.

LEAVES FOR ITALY
Mrs. Loren Sanders, the former Patricia Ann Sexton, who has been visiting her parents, Mr. and Mrs. Forrest Sexton, 2947 Marshall avenue, the past four weeks left Tuesday for Naples, Italy. She was accompanied by Mrs. Mary Hill of Mississippi to join their husbands, Lt. (j.g.) Sanders, and Lt. (j.g.) Hill.

Party Honors Albert Pelate

Mr. and Mrs. Albert Pelate, 2573 Stratford lane, entertained at their home this week in honor of the eighth birthday of their son, Albert Donald.

The basement of the home was decorated with streamers and balloons suspended from the ceiling. A large birthday cake, adorned with baseball players, centered the table and refreshments were served to eleven guests.

The speaker of the evening was Mary Reedy from the Family Service Agency in East St. Louis.

Prizes were won by Mark Louis, Danheiser, Kevin Byrnes and Timothy.

Bridge Club Winners Named

The Duplicate Bridge club ended a six-week season with a meeting Monday at the Rose Bowl. Mrs. George Morgan was the series winner.

Other winners were East-West, Mrs. E. E. Veith and Mrs. J. Wallace Wyman, first; and Mrs. J. A. Grant and Mrs. Alvin Barnes Jr., second. North-South winners were Mrs. George England and Mrs. Irby Todd, first; and Mrs. Joseph Green and Mrs. Morgan, second.

Twenty local women participated in the games.

ATTEND PARENTS WITHOUT PARTNERS MEETING

Members of Chapter 91 from this area attending a monthly meeting of Parents Without Partners, a national organization with more than 100 chapters throughout the United States, in Collinsville, Monday evening were Madeline Florence Day, Pat Jarvis, Thelma Dutton, Mary Evans and Gilbert Sykes.

The meeting was presided over by Tony Arco, president, and after the business hour, during which plans for the future were made there was a social hour and refreshments were served to about 30 members.

The speaker of the evening was Mary Reedy from the Family Service Agency in East St. Louis.

Bridge Traffic Leaps To New February High

With the help of Leap Year Day, the past month brought a new February traffic record of 370,537 crossings for the Venice-owned McKinley Bridge.

Previous 29-day totals were 305,905 in February 1960, 352,295 in February 1963, 352,316 in February 1962, 285,359 in February 1961 and 284,824 in February 1959. The city bought the Mississippi River bridge Nov. 21, 1958.

Bridge Manager Henry McMullen said the February 1964 total consisted of 91,355 crossings in the first week, 90,584 during the Feb. 8-14 week, 87,543 vehicles in the third week, 90,897 on Feb. 22-28 and 10,558 on the final day of the month. The 12,790 daily average, below the 12,897.

Snow-Covered Kite String—Not Wire

That the kite-flying season preceded what may have been the last heavy snow of the winter became evident Monday night.

Police received reports of low-hanging wires over the street at 9:45 p.m. at 2502 Grand avenue and at 11:10 p.m. at Edwards street and Nameoki road. But it proved to be snow-covered kite string dangling from trees.

Reports also were received at 10:55 p.m. of part of a tree in a street and at 2 a.m. Tuesday of a rail-road crossing gate struck down at West Pontoon road.

Vocational Technical Institute To Be Held

Invitations to the second annual Southern Illinois University Vocational Technical Institute Open House April 27-28 have gone to high school faculty members, students, parents and industrial and business personnel in Illinois.

Harry Soderstrom, VTI faculty member heading the Open House planning committee, says the event will feature exhibits, demonstrations and displays of vocational projects at the Vocational Technical Institute campus on Old Route 13 near Carverville. Nearly 1200 persons, mostly high school student groups from Illinois, registered at last year's open house.

Man Faces Two Charges

Don Ray, 35, of Elkhart, was arrested at 6:40 a.m. Saturday at 2025 Iowa street on charges of being drunk and disturbing the peace. He was fined \$15 by Magistrate Gasparovic.

Parent-Teacher Chorus Planned In GC District

Efforts are being made currently to organize a Parent-Teacher Chorus, composed of PTA members in the Granite City school district.

Owen Humphrey, Maryville grade school principal, is to be the choral director and an organization meeting has been set for 7:30 p.m. Tuesday, March 24, at the Maryville school.

A vocal chorus of more than 50 women representing the 17 PTA units is being sought. Those interested may contact Mrs. Odell Buehler, Area PTA Council cultural arts chairman. Humphrey explains that "one of the objectives of the National Congress of Parents and Teachers is to raise the standards of home life. This has found partial expression in hundreds of units in the U.S. through formation of the Parent-Teacher Chorus. Originally known as Mothersingers these vocal groups have carried singing back into the family circle."

Unit Of Area Council
"The PTA Chorus is not the whole of the National Congress music program, but a project of that program—to be planned, administered, and promoted by the cultural arts chairman of the area council. Activities of the choral group are coordinated with council activities, and the sponsoring council board for every feature of the project."

"Accordingly, the Granite City Area Chorus that is now being organized will be in close touch with the Granite City Areas PTA Council."

"Objectives of this choral group are:
"1. Giving or sponsoring concerts for children.
"2. Encouraging local creative talent by presenting music programs."

Music Cooperation
"3. Cooperating with other community musical ventures.
"4. Singing for local meetings, district meetings or civic affairs."

Fogged Window Causes Three-Car Accident

A fogged door glass on a car driven by Clifford T. Robinson, 17, of 2139 Ohio avenue, caused a three-car collision with a car operated by John T. Nolen, 45, of 2210 Madison avenue, Monday at 21st street and Madison. Nolen's car hit one driven by Alma A. Brown, 41, of 2148 Benton street. Robinson, who was charged with a right-of-way violation, told police he was unable to see the southbound Nolen car. All three vehicles were damaged.

Right-Of-Way Charge

With visibility obstructed by foggy windows, a car driven by Jessie J. Keeton, 38, of 2615 West 22nd street, rolled into the path of one driven by Earl Lindner, 60, of 2828 Chuyaga street, after she had made a stop on Jefferson avenue at Chuyaga. The front end of his car and the right side of hers were damaged. She was charged with a right-of-way violation and posted her driver's license as bail.

50 YEARS AGO
MARCH 13, 1914
 When voters go to the polls next Tuesday to vote for judge and clerk of the city court, they will be presented with the widest ballot ever used in a city election in Granite City. Only two officers are to be elected, but the ballot contains the names of eight candidates running under seven different party names.

Miss Minerva Guthrie, a returned missionary from Korea, will be guest speaker Sunday evening at the service of the Women's Foreign Missionary Society of Niederrhine Lutheran Church, Episcopal Church.

On Easter Sunday night, the Presbyterian Church will present a concert of sacred music.

Home Guards will meet Saturday afternoon at the home of Miss Edith Platto.

At a meeting Thursday night in the council hall, the assembly of Fourth Degree members of the local lodge of the International Order of the B. P. O. E. will elect officers for the coming year.

25 YEARS AGO
MARCH 13, 1939
 Directors of the Madison County Club reelected Dr. Charles E. Watson, Granite City, as president. Lester J. Brockmeyer, Edwardsville, was elected secretary-treasurer, succeeding Oscar Ochs, who did not seek reelection.

Five different types of membership will be offered this year, \$40.00, \$30.00, \$20.00, \$10.00, and \$5.00. The board of directors will meet at 8 p.m. on March 13, 1939.

Health, Sewer Goals Somehow Must Be Made To Coincide
 Local residents undeniably regard good health as important. Several years ago, when cancer motion pictures were shown, women flocked to the downtown area in huge numbers. Last weekend, more than 30,000 visited schools and public buildings to drink anti-polio vaccine.

An apparent paradox is the failure thus far to approve another vital local measure—adequate handling of Granite City sewage. Enormity of the problem of flooding and effluent overflow was brought home forcefully again last week when a sewer valve temporarily blocked the outlet line, flooding several streets and 100 residential basements. This was an accident that may never recur, but disease-bearing water and filth regularly jeopardize the health of local families, especially during times of normal or above-normal rainfall.

There is no actual paradox, for local citizens would deal with the sewage problem if they could see it clearly and as a community problem, and individually. No one really wants himself or his loved ones to live in this fashion.

The challenge facing each of us is to find a collective solution—a citywide sewer plan so logical, effective and inexpensive that it will receive the backing, rather than the opposition, of those who so badly need drainage relief.

Such a plan was voted on about 18 months ago but lost in an exceptionally tight vote. It could be presented again, however, if enough citizens were interested enough.

Maryville Road Improvement Can Speed Growth Of Outlying Area
 It is not difficult to visualize even more rapid population growth in the northeastern part of the Quad-Cities now that a four-lane concrete roadway and a sidewalk are to be built along Maryville road.

The immediate area will be made more attractive by the improved transportation route, and adjacent territory also will be linked more closely with the heart of the local community.

Plans to construct an extension of Maryville road southeast of the city limits may serve as a growth stimulus. It might not be long before Maryville road, like Nameki road before it, changes from an edge-of-town thoroughfare to one entirely surrounded by residential or business developments.

Strict School Safety Code Prompted By Tragic Fire
 Tragedy, unfortunately, seems to be the stimulant in a number of cases to keep all safety hazards to a minimum, there may be some benefits from the stricter state code, which will be outlined at a meeting of school trustees and educators here next week. It may mean a temporary, slight increase in building fund taxes in districts having no available funds, but can bring greater peace of mind for all parents and taxpayers.

Authentic All-Star Basketball Selections In Press-Record
 The Press-Record takes pride this year in adding a new sports service—all-conference basketball selections for the Southwestern, Midwestern and Madison-Clinton-Macopin high school athletic leagues. For the past several years, Press-Record all-star football teams have been named in the Southwestern and Midwestern conferences.

Many all-star squads are chosen throughout the nation at the end of each season, but those published in the Press-Record equal or exceed any of them in authenticity. Each variety coach submits a ballot, voting for players other than those on his own team. Their composite selections make up the teams.

We extend thanks to the coaches and add our congratulations to the athletes in the Granite City, Madison, Venice and neighboring schools in the three conferences.

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY
MARCH BRINGS MUMPS SEASON
 Lots of things are "seasonal" in March—including mumps, one of the most contagious diseases in America.

An acute virus disease especially prevalent in winter and early spring, mumps usually causes painful enlargement of the salivary glands in front of the ears, under the tongue and lower jaw.

This swelling, which appears from 12 to 26 days after contact or exposure to the disease, may last about four or five days.

Affected Talking, Eating
 Though it is quite common for only one side to be affected, both sides of the face frequently are involved. In either case, the patient finds talking and eating extremely difficult.

The disease occurs primarily among children between five and seven years of age, and is therefore classified as a childhood disease. However, it may occur at any age and is especially serious in those contracted by adolescents and adults.

Why? Because the mumps virus sometimes affects the genital glands—testes in men, ovaries in women. Only one side of the gland is damaged, the ability to produce sperm or eggs is not destroyed.

While mumps has been known to recur, an immunity is usually established by the first attack. However, when only one side of the face has been affected, there is always the possibility of the other being infected later.

Because of the highly contagious character of the disease, patients with mumps should be isolated. Liquids and semisolid foods, free of acids, should be substituted for solids to eliminate the pain of chewing.

Little can be done for the patient with mumps except to keep him comfortable and warm, since the disease seems to be self-limited. In some cases, gamma globulin may be used.

In some conditions where the pain is acute, certain sedatives can be prescribed by the physician to permit the patient to rest.

Mumps should not be treated lightly. While mumps does not usually result in serious complications, it is a disease that should be reported to your physician. Then he can advise you to prevent complications in women, only one side of the gland is damaged, the ability to produce sperm or eggs is not destroyed.

New Plan For Gifted Students
 With Granite City School Supt. Harold M. Kaiser as one of the chief advisors, a state-enacted program to improve instruction for gifted students is being "gelled off the ground." Even more progress is anticipated beginning in 1965.

In the words of State Superintendent of Public Instruction Paul P. "Insurance" for the Illinois Plan for Program Development for Gifted Children provides the state to contribute to greater self-fulfillment on the part of individual students.

The plan includes the largest application ever attempted of the demonstration concept. We hope through experimental projects and demonstrations to provide a research basis for some of the innovations greatly needed in the field of education.

Tornadoes Hit More Often In Central Part Of Illinois

Experts point to statistics to refute the belief of many that southern Illinois lies in the path of what has been called "Tornado Alley," according to Frank Bridges of Southern Illinois University, Carbondale.

Publicity surrounding the tornado that roared through Murphreeboro, Co. in the DeSoto, Hurst, Bush, West Franklin and surrounding countryside March 18, 1925, killed 66 persons and injured hundreds more, has given impressions that southern Illinois is the most vulnerable to severe winds.

It isn't so.

Facts are, according to weather experts, that tornadoes hit with more frequency in the middle section of Illinois, which is a state ranks tenth in the number of tornadoes. According to state government statistics, southern Illinois has had 286 of the tornadoes striking Illinois, central Illinois gets 565, and northern Illinois 167.

Which brings up, what can a person do to protect himself?

Know What To Do
 "People should remember tornadoes can occur any hour, and any month of the year," said Bridges, SIU safety and disaster precaution expert. "Knowing what to do when a warning alert comes may mean the difference between life and death."

 To the Editor:
 I have noticed so often how we give a complaint publicly if we have the opportunity, and so often fail to say "thank you" publicly for a kindness done to us. I am sure if "thank you" was eligible to vote in the primary, it would be a landslide.

Changes of address may be noted on the back of the pink voter registration card and mailed to the county clerk's office at Edwardsville, before March 16.

Junior Bank Executive School Set At SIU

One hundred and fifty junior bank executives from Illinois have pre-registered for the Junior Bank Executive School at Southern Illinois University, Aug. 31-Sept. 1, according to Harry B. Kiser, assistant dean of Southern's Division of Technical and Adult Education.

Registrations have filled the school to capacity, he says. The enrollment is equally divided between the first and second year courses of study.

The annual two-weeks' school, first started in 1953, is a joint program of Southern's Division of Technical and Adult Education and the Illinois Bankers Association. The object is to train young people for advancement to more responsible executive positions in local banks. Specialists from Southern's faculty comprise the instructional staff.

'64 CHEVROLET—THE GREAT HIGHWAY PERFORMER

Chevrolet Impala Convertible

Nothing feels steep in a Chevrolet Impala (including the price!)

A hill is just something to admire the view from when you're driving a '64 Chevrolet. With engines up to a 425-hp V8*, getting from one side to the other wouldn't be much easier if somebody had put a tunnel there.

And if Chevrolet can go over a whole mountain so you hardly feel it, you can imagine how it goes over plain old bumps. Jet-smooth, of course. We put a big coil spring at all four wheels (not to mention 700 or so sound and shock absorbers throughout the body and chassis) to soak them up as fast as they come.

As you'd expect, Chevrolet turns in its usual fine performance with everything inside that big beautiful body

by Fisher, too. All kinds of stretch-out room and wide thick-cushioned seats that let you get in a full day's driving without fatigue. Yards of de-twist carpeting and elegant fabric and vinyl upholstery that make you feel good just being there.

With all its looks and luxury, you can see how anyone might get the idea that this great highway performer is a high-priced car. Unless, of course, they happened to look first at its reasonable Chevrolet price.

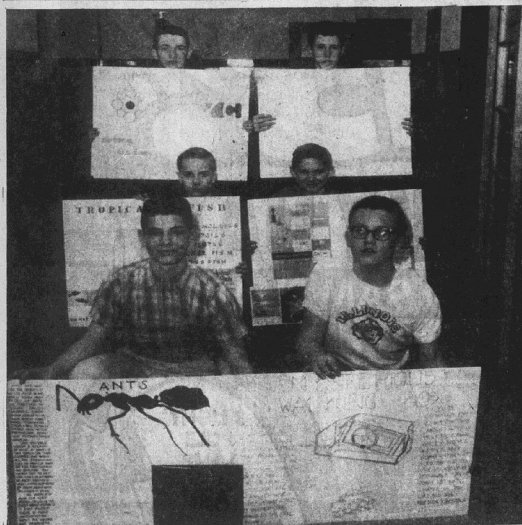

And your Chevrolet dealer will be happy to show you that, wherever you drive, the price is probably what you'll feel least of all.

The three pictures above illustrate one reason for their enthusiasm. The top car is a 1963 model... the center car is a 1962 Cadillac... and the lower car is four years old. The styling through the years has evolved and refined, but each is unmistakably a Cadillac.

These owners share a common knowledge. Not even most new motor cars offer the degree of pleasure and reliability that come with a previously-owned Cadillac.

First, there is Cadillac's renowned craftsmanship, which results in a car of unusual endurance.

Next, consider value. The equipment on a Cadillac of older vintage is still extra cost on most new cars... and includes such features as Hydra-Matic, power steering, power brakes, power windows on most models... plus many Cadillac engineering advancements that still have not found their way into other new 1964 cars.

And don't overlook Cadillac's reputation for operating economy—comparable to many smaller cars.

So when you make your next motor car investment, new or used, consider only one name—Cadillac.

Predicts Sizeable Tourism Benefits For Quad-Cities

Tourism is a substantial factor in the economy of any area and the Quad-Cities should gain appreciably from current Illinois exploitation of this asset, Frank Braden, tourism representative of the Illinois Board of Economic Development, told the Granite City Rotary Club at its weekly luncheon meeting Tuesday at the YMCA.

"Don't expect a miracle," he said, "but with more leisure time tourists and vacationers mean a lot to communities. Over \$20 billion was spent on vacations in 1962, with \$13 billion in Illinois, most of it in Chicago. Our efforts are directed to tourist growth in downstate Illinois now."

Braden, a former Yankee ball player, teacher and congressional administrative assistant, pointed out that 24 tourists a day in a community is equal to an industry with a \$100,000 annual payroll.

"It has been determined that each \$1 spent promoting tourism returns \$19 in taxes of all kinds; that the average tourist spends \$4.37 when he stops for gas or food in a town, but \$18.83 if he stays overnight. And don't forget that these benefits are immediate; it is not a lengthy process such as securing a new industry."

\$500,000 Promotion
In the last legislative session, the Illinois General Assembly appropriated \$500,000 to promote tourism, Braden said, and this activity has been made a part of the duties of the Board of Economic Development, along with industrial development, planning assistance, and participation in federal programs to aid business and unemployment areas.

Of the \$500,000 biennial appropriation, \$250,000 is allocated to downstate Illinois, \$150,000 to Chicago, and \$100,000 for statewide promotion and administrative costs, he explained.

"Your area is in Region 8, which comprises 11 counties, and there is up to \$27,000 available on a matching basis for tourism promotion. I am confident local funds will be raised to take full advantage of your regional allocation. I see William Theokle and Marian Dohy here today, both of whom are active in this effort."

Braden said part of the Illinois funds are being used to establish "hospitality" training courses for waitresses, service station attendants, as well as employees of motels and other public places.

"This is extremely important because tourists will flock to an area, or return to it, only if they receive good service."

As a further promotion of Illinois tourism, Braden mentioned steps being taken to attract more people to state parks, which enjoyed a 40% increase last year over 1962, and Lincoln's Trail publicity.

"Illinois also appropriated \$1 million for a display at the New York World's Fair. Other contributions have raised this to \$2 million, and there will be an excellent animated Lincoln attraction, conceived and built by Walt Disney, that is expected to draw 8 million people during the six months the fair will be open in 1964 and in 1965."

Program chairman Tuesday was William Theokle, who introduced Braden.

Dimitroff Wins Award At Toastmasters Club

James Dimitroff, vice-president of the Granite City Toastmasters Club, won the club's award of the week Monday night for a speech on "People-to-People." Eight members attended the meeting at the Grand Cafe.

The other speaker was Marvin Dean, who had the topic "I'll Do It For You For A Price." Dr. Leo Coleman got the "honor award" when he scratched his head while giving a critical evaluation. The next meeting will be March 23.

Stop Sign Charge

Robby Wallace, 29, of 4037 Braden avenue, was arrested at 10:40 a.m. Tuesday on a charge of passing a stop sign. He posted his driver's license as bail.

GC May Seek Joint Use Of Incinerator With Madison

A recommendation that Granite City confer with Madison officials on a joint venture in operation of a trash and garbage incinerator was proposed Monday night during a meeting of city council committee chairmen. Despite a near blizzard and six inches of snow, six chairmen and two other aldermen were in attendance for the chairmen's unofficial session. No action can be taken by the group other than to discuss proposals for presentation at subsequent council sessions.

It was suggested that perhaps Mayor Davis could arrange such a conference with Madison Mayor Maers and include the chairmen of the Special Air Pollution, Special Sewage Pollution and Sanitation committees. A joint venture was proposed since it would not be financially feasible for one municipality to undertake such an operation. To be studied is the possibility of Granite City hauling the sludge from its forthcoming sewage treatment plant to the incinerator.

Several chairmen pointed out the city must soon change its present methods of trash and garbage disposal to comply with state laws and to join with Madison would give both cities a solution to a mutual problem.

Close Budget Figuring

Alderman Paul Rutledge, chairman of the Finance committee, called for close figuring for the 1964-65 city budget for all departments. "Our tax rate is down and our assessed valuation has been cut. We'll have to

Watch Each Budget Closely

and strive for economies." He asked that departmental budgets be submitted to the committee by May 1. The city's fiscal year begins May 1, and the overall city budget usually is adopted in mid-July. It is planned for an earlier adoption.

A brief report on the status of the city's sewage treatment plant was made by Charles W. Moerlein. He said a compilation of water consumption data from the files of East St. Louis and Interurban Water Co. is nearly completed on which to base monthly rental charges. The amounts have not been set, and other aldermen reported they are getting queries from industries and businesses.

Seek 99-Year Lease

Moerlein said the information should be available within a short time and that the Special Pollution committee will keep the council informed. Ford Johnson, member of the committee, said the city's proposal for a 99-year lease of a site at the Granite City Army Depot still is incomplete, but that the city should be advised of its status in the near future. He explained the approval at a high level in Washington.

The chairmen also called for action by the Special Air Pollution committee headed by Alderman Samuel Whitmer. He said a meeting of the group will be called in the near future. Rutledge, who headed a special employee policy-setting group added that the subcommittee of the Finance committee soon will be

reactivated to gather data

presented to the council. Annexation of sections of subdivisions also was discussed by council members, who agreed the city should exercise control over areas within 1 1/2 miles of the city limits. Alderman William McGee pointed out the city should consider the added flow of sewage when new areas are annexed, especially since the lift station at Fehling and Madison and Clair avenue and Lincoln avenue are working at capacity.

Subdivisions within the city limits of the proposed annexation at Pontoon Plaza, being developed by Leo Wolf, and a portion of Dream Villa being developed by Henry Ross, who wants only a portion of his area annexed to the city, Alderman Donald Partney, chairman of the City Planning and Zoning committee, suggested the city endeavor to straighten its eastern boundary, and he asked for completion of the \$33,000 program to update the city's master plan.

He said the school district, park district, township and housing authority could be called upon to share the cost as had been done in the past. No recommendation was made by the chairmen.

Engineer Interviewed To Start

G. H. Sternberg, chairman of the special committee and commission to select city engineer and motor fuel tax project engineer, said advisers have been placed in newspapers and municipal publications and that interviews should start this weekend.

He said two firms have applied for the MFT engineer postion.

Data On College Grads' Salaries Being Compiled

Information is being collected from 22 midwestern colleges and universities for the annual summer report on salaries being offered to the nation's 1964 college graduates. The data is being compiled at SIU, Carbondale, by the College Placement Bureau, directed by Royce R. Bryant.

Preliminary surveys are made in the fall and again in the winter, he said. Just completed is the nation-wide report on 6500 offers made at 107 selected colleges, including SIU, to seniors majoring in 12 key fields of education up to Feb. 14.

It shows students in humanities and social sciences drew an average beginning salary \$433, up \$10 over last fall's offers, and accounting majors followed closely with a \$9 boost to \$333.

Offers to aeronautical and electrical engineering majors—

still the highest paying categories—rose only \$7 and \$4 respectively.

In the master's-degree phase of the survey, engineering graduates received lower salaries than last fall, except those in mechanical engineering, while business administration candidates showed gains. The latter with a non-technical undergraduate degree received offers up \$13 to \$633 and those with a technical background up \$9 to \$697.

Among groups of employers, the more substantial changes were seen in the construction and building materials group and the banking, finance and insurance group, Bryant said. Since mid-December they boosted their offers significantly.

Apparently to be more in line with the "going rate," he said. Construction offers went up \$25 to \$554 and the banking group offers rose \$16 to \$461. Other leading gainers, were: glass, paper and packaging, up \$16 to \$386; electronics and instruments, up \$15 to \$618; tires and rubber, up \$13 to \$350; and petroleum, up \$12 to \$593.

3 Faculty Members Named For SWIU Campus

The Southern Illinois University board of trustees has approved the appointment of three full-time faculty members to the Quad-Cities-Edwardsville Campus.

They include two associate professors in the social sciences division, John G. Gallaher and Douglas M. More, and an assistant professor in the business division, Mrs. Elise Douglas Palmer. The appointments become effective September 23.

Also approved was the spring term appointment of Dr. Rudolph Dreikurs as visiting professor of psychology and guidance; granted sabbatical leaves to Professor Cameron W. Meredith, head of the Education Division, and Melvin Kozek, professor in the Social Science Division. Meredith will spend part of next year revising three manuscripts relating to educational problems.

Effective immediately, Leo Cohen, professor in the Business Division at SIU, will also serve in Public Administration and Metropolitan Affairs.

Hospitalization Takes Most Of GC Twp. Budget Boost

Increased amounts for home relief and hospitalization account for the \$19,790 boost in the general assistance budget for Granite City township. The new budget totals \$173,649 and a \$19,256 deficit is expected at the end of the fiscal year on Feb. 28, 1965.

The new town fund budget of \$44,730 is up \$500 and a balance of \$10,958 is anticipated next February. The overall town-rent budget amounts to \$218,379, an increase of \$20,289, and a public hearing is scheduled for 2 p.m. on April 7 to be followed at 2 p.m. by the annual meeting at the city hall where the budget will be submitted to town electors for approval.

Meanwhile, the new budget is on display in the office of City

Clerk A. L. Stevens at the city hall.

Home Relief Costs

Under general assistance, \$99,033 is budgeted for home relief, an increase of \$1853; while hospitalization totals \$54,244, up \$16,544. Transient cases at \$1000 is unchanged, as is the amount budgeted for burials, also \$1000. Administration totals, \$15,950, up \$1350; and the \$1300 budgeted for municipal retirement shows an increase of \$100. The \$1000 for contingencies is unchanged.

A breakdown of the home relief \$99,033 budgets follows: food, \$60,000, down \$15,000; rent, \$7500, same; fuel, \$2500, same; light, \$750, up \$250; water \$750, up \$500; gas, \$750, down \$250; medical care, \$7500, same; transportation and moving, \$500, same; other expenses, \$2000, same; approved unpaid bills of prior years, \$16,605, up \$16,605.

It was explained by town attorney George J. Moran that in previous years, the amount of unpaid bills was included in the separate items for home relief. The same holds true, he said, under the hospitalization section of the budget.

SSS, 444 For Hospitalization

The \$54,244 budget for hospitalization lists approved unpaid bills totaling \$27,044, up \$27,044. Other items include \$25,000 for private hospitalization, down \$7500; convalescent homes, \$2000, down \$3000; and ambulance service, \$300, same.

The general assistance administration costs of \$15,950 include \$10,800 for salaries, up \$1500; \$800 for printing and stationery, down \$100; \$1200 for office rent, same; \$200 for furniture and equipment, down \$800; \$300 for office worker travel expense, same; \$700 for office utilities, same; \$1200 for janitor service and supplies, same; and \$750 for telephone, up \$750.

Under the town fund \$44,730,

the department breakdown shows, \$11,400 for town officers compensation, same; \$100 for elections, down \$100; \$26,280 for the assessor office expense, up \$1100; \$100 for town officers expense, down \$1000; \$1200 for auditing, up \$1050; \$1200 for legal services, same; \$2200 for municipal retirement, same; \$800 for contingencies, same; \$850 for judgments rendered against the town, up \$850; town officers bond, none, down \$850.

A breakdown of the town officers' compensation shows: assessor's salary, \$7200, same; board of auditors, \$300, same; supervisor of general assistance, \$3900, same.

Schedule Announced For Free TB Chest X-Rays

Times and places for the free chest x-rays given by the Madison County Tuberculosis Association were announced today by Mrs. Betty McClintock, executive secretary.

The survey starts March 31 and continues through May 22. The program is made possible by contributions for Christmas seals.

Stover Receives Ph. D. At Stanford University

Harry L. Stover, a son of Mrs. Thea Stover, 2137 1/2 State street, has received a Ph.D. degree from Stanford University. His major was physics.

Mr. and Mrs. Stover and their family who are residing in Dallas, Tex., will be visiting in and around Granite City during the week of March 15.

He was graduated from the Granite City high school in 1950 and was employed at Granite City Steel Co. before entering the U. S. Coast Guard service in 1952. After his tour of duty there he enrolled at Southern Methodist University in Dallas.

While a junior there he was elected to Phi Beta Kappa and was awarded the Comini Modern Language award, a gold watch and plaque for "outstanding achievement and excellence in German."

He was graduated from SMU with a B.S. degree in physics, B.A. in German and mathematics and highest honors in both. He was awarded a Woodrow Wilson Graduate Study Fellowship. After graduating from SMU he was one of the first students at the University of Heidelberg in Germany on a Fulbright Scholarship. In 1955 he began to study at Stanford on a National Science Graduate Study Fellowship where he received a M.S. degree in physics, as well as a Ph.D.

Saw—Newest Tool Of Firefighters

The subject of firefighting weapons brings to mind hose, ladders and axes, but the latest tool added to the equipment of Venice firemen is a saw that can cut through steel and concrete like butter.

First in this area to acquire this type of saw, the Venice department has had little opportunity to use it except in training. But, like other fire equipment, the saw is designed for emergency use only and could be worth its weight in gold if certain situations arise.

Powered by a gasoline motor that can be tipped at any angle without stalling, the circular blade could aid firemen in extinguishing difficult-to-reach fires in wooden timbers below the McKinley Bridge deck and also could be used to cut posts in peeling back metal auto tops to free victims. The 6000 revolutions-per-minute blade is described as including carbon and resin in its composition.

At far left, (left to right) Fireman Richard Krause, Chief William J. Meehan and Driver Thomas W. Britt watch as Fireman Lloyd Blumenstock cuts through eighth-inch-thick enameled steel. The center photograph shows Blumenstock and Meehan sawing through an inch-and-a-quarter pipe with three-sixteenths-thick walls. The flat steel and pipe that were cut are shown being inspected at right by Blumenstock and Meehan.

Park's Carnival At 7:30 Tonight

The annual Winter Carnival of the Granite City park district will be held at 7:30 tonight at the Granite City high school gymnasium.

Featured will be several hundred children in the district's dancing and gymnastics programs.

Master of ceremonies will be Bob Baker with Warren Simpkins singing the National Anthem. Milton Worthen, vice-president of the local park district and president of the Illinois Association of Park Districts, will give the welcome.

Barry Loman, district president, will introduce special guests. Among them will be representatives of 10 cities who will meet here Thursday morning as the new Southern Illinois Parks & Recreation Association. Caller for the square dance program will be Jim Melton.

Nomination Closes Monday For '63 Editor Of Year

Nominations in the Illinois Press Association 1963 Editor of the Year competition will close next Monday. It was announced today by Arthur E. Strang, secretary-manager, at Urbana. The winner will be announced at the annual IPA spring convention banquet May 15 in Peoria.

Last year's winner was Verle Kramer of the Gibson City Courier. The winner in 1957 (second year of the award) was C. E. Townsend, Press-Record editor and publisher. The award is based on outstanding journalistic achievement and distinguished service to the community and the profession.

what a carpet!

- AMAZINGLY STRONG!
- RICHLY LUXURIOUS!
- WONDERFULLY PRACTICAL!
- EASY TO CARE FOR!

MOHAWK CARTIER ONLY \$8.95 square yard
... made of 100% Cumuloft® nylon pile

INCREDIBLY STRONG... Tough, durable... no fiber can outwear nylon. And no ordinary nylon carpet fiber can beat the strength of Cumuloft nylon. Cumuloft nylon is a continuous filament textured yarn that retains nylon's full strength.

RICHLY LUXURIOUS... You have to feel the lush depth underfoot! You have to see the rich surface... the fabulous new depth and clarity of color! Carpet of Cumuloft nylon pile is like no carpet you've ever owned. It has warmth and softness that is unbelievable.

RESISTS FUZZING AND PILLING... Cumuloft nylon is a continuous filament nylon, with no short loose fibers to pill up or fuzz. That's why carpet of Cumuloft nylon doesn't shed.

RESILIENT... Step on it. Jump on it. Carpet of Cumuloft nylon keeps coming back for more! The resilient nylon yarn springs back, resists matting and retains its luxurious texture.

EASY TO CLEAN... Because the smooth, non-absorbent Cumuloft nylon yarn resists dirt and dust, soiling stays right on the surface where you can whip it off with the vacuum cleaner. Spills are no catastrophe either. Just spot clean with a detergent and water.

FREE ESTIMATE

Just call TR 7-6000 and we will have our representative come to your home with samples of the latest patterns and colors of Mohawk carpeting. He will measure your floors and give you an estimate of your carpeting job. No obligation.
